

Questions to Ask Yourself Before Dropping a Class:

- 1) What is my grade in this class now?
- 2) How many more points possible are there before the end of the term? If I average 80% on all of the remaining tests, labs, etc., what will my ending grade be?
- 3) Have I been to talk with the instructor?
- 4) Have I found a tutor or a learning coach?
- 5) Have I looked for study guides in the bookstore?
- 6) Is this course required for graduation? For my major?
- 7) If the course is required, when will I retake it?
- 8) If I drop this class, will it free up time to concentrate on my other classes?
- 9) How many credits will I be left with if I drop this class?
- 10) How many credits do I need to carry for insurance or for a scholarship?
- 11) How much money will I lose by withdrawing from this class?
