   From here, you can customize your profile by setting appointment reminders.

2. Once you have made your desired changes to your profile, click the Submit button to save your updates.

Connect to people and services that can help you

The My Success Network and Courses channels display the people and services that are available to help you succeed. Here you can find key contact information as well as links to student service web sites and online appointment scheduling.

My Success Network

Click the My Success Network icon on your Home page to display your personalized network. This channel lists the people and resources that are available to assist you. (You can browse a broader list of available services in the Service Catalog). For each person or service listed you will find contact information, supporting websites, and, if online scheduling is enabled, a link to make an appointment. If a service includes a waiting room for walk-in appointments, you can click the “Waiting Room” link to find out how many students are currently in line.
Courses

Click the Courses icon on your Home page to display information about courses you are enrolled in as well as contacts and available support related to each. Like the My Success Network channel, it is personalized to show the people and services specific to the courses you are taking, and gives you the ability to make an appointment or request help related to a course.

Make an Appointment

1. Click the Schedule Appointment link below the contact information for the desired person or service in the My Success Network or Courses channel.

2. Use the small calendar on the left to quickly identify days with available office hours (available days will be shown in bold). Click the desired date in the small monthly calendar to display availability on that day.
3. Available time slots on the selected day will include a **Sign up** link. Click the **Sign Up** link associated with the desired time slot.

4. This opens the **Add Appointment** form. Complete the form by selecting a reason for the meeting and a course (if relevant). Include an explanation of what you need so that your instructor or advisor can be prepared for the meeting.

5. Click **Submit** to set the appointment. You will get an email with the appointment details and the appointment will be listed on your **Dashboard**.

**Change an Appointment**

Upcoming appointments will be listed on your **Dashboard** in the time line view (left column). Click the edit icon (📝) to modify the appointment or the cancel icon (🗑️) to cancel it.

Dashboard

Your Dashboard displays upcoming appointments and date-based tasks on the left to help you plan your week. The right hand column of your Dashboard highlights items that require your attention and may include alerts related to your class work, recommended referrals to campus support offices to help you succeed, and Kudos from your instructors.

If an email was sent to you related to any of these items, you will find the content of the message by clicking on the messages icon (✉) near the profile link in the top right corner of the page.

Plans

The Plans channel will display any customized Plans created for you by your advisor. This might include an Academic Plan or a more targeted plan for a set of specific tasks with due dates. Click the View Details button associated with a plan to display a printable version of the plan.
